Good afternoon Shilna,

Thank you for your email.

The price of the AX300 0111230 is as follows:

\$320 each EXW. This includes a free of charge oxygen sensor 0110017.

The warranty period is 24 months from the date of invoice. During the warranty period, you may need a replacement R-17MED sensor (0110017) depending upon how much the item is used. These cost \$34.50 each EXW.

The attached leaflet tells you which items are also included in the price of the analyser on page 2.

Please let me know if you require a proforma invoice detailing carriage charges etc.

Many thanks.

Kind regards

Kate Griffiths
