

CERTIFIED CLIENT DIRECTORY

Our Directory of Certified Clients enables you to verify the status of any SGS issued management system or process certificate.

To verify the status of a certificate or a group of certificates that a company holds, simply enter the certification ID number (found on the SGS certificate). Alternatively, you can enter the company name and country. Then, finally, input the security code displayed below:

Search the directory

Certification ID

—or—

Company name intersurgical

—and—

Location United Kingdom
