Hello!

I am Petre, I work for ABB MEDTEH Romania! Nice to meet you!

I need an O2 sensor compatible with Envitech OOM102-1. I see on your website a same sensor (R-17Vi). Can your confirm me that it is a sensor like OOM102-1. If you answer is affirmative, I want to order one. Please send me an invoice and prepare the sensor for sheeping. :-)

Best regards,

Petre
