Hi,

Please can someone add a quotation for the annual services at Royal Albert Edward Infirmary, a/c 5363.

The quote can be exactly the same as the one attached from 2019, no additional work is required this year, but please change the contact details to Danielle Johnson.

If it can be raised and checked, then sent back to me for a final look, I will send it and advise them when we can do the servicing.

Thanks,

Steve H
