Dear Kate

I will like to order according to PO.20092101

Would you send the sensors you have on stock, and then deliver the last as soon as possible, thank you.

Med venlig hilsen / Kind Regards

Jesper Eriksen

Good morning Jesper,

Thank you for your enquiry.

We can supply part number 0110452 which is Maxtec's part number R140P02. The price is €87.50 each EXW and we currently have some in stock, but less than half of the fifteen you require.

The lead time for the full amount would be approximately 5-6 weeks.

Please let me know if I can be of any further assistance.

Many thanks.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
