Dear Kate,
Please check with Mr Ryan Swaine the payment condition we are working with.
Last March it happened in the same situation and Miss Cristina explained that we have an agreement of a 30 days payment invoice date, not advance payment.
Again ask you to check our payment term in order not delay the delivery more than necessary and essential.

Best regards

Hi Cristina,

Your order is **not a confirmed order until we have received payment**. If you are able to pay before September 28th, I can then turn the proforma invoice into an order.

Stock is not saved for you until payment is received.

Kind regards

Kate Griffiths
