Dear Sarah,

May I ask you for information about possible delivery time of our orders

**DE2020-758 - that we sent to you 28th July 2020 for 50 pcs of R21-A**

**DE2020-868 - that we sent to you 28th August 2020 for 50 pcs of R22-A**

My second question is – I got other order for 15 pcs of R-22A from our customer.

Is it possible to add it to our order DE2020-868 or do you prefer to send you new order for 15 pcs...

Would it be possible to send both orders it in one package?

Thank you very much for your kind help

Stay safe

Katerina

Dear Sarah,

Many thanks for your e-mail. Our customer changed your mind and ordered only 50 pcs (**our order DE2020-868 - that we sent to you 28th August 2020.**) He will order next another 50 pcs at some time in the future (I hope this year ).

Because the order wasnt be for 100 pcs I did not give my colleague your quote (my fault..)
