Could you give us the specifications of your medical sensor(Data Sheet)?

Hi Irina

They are both the same sensor with a different label, we supply the medical model, but I am currently awaiting stock. The estimated time of arrival is the 3rd week of October. If you are okay to wait, then I would suggest placing your order so we can add you to the queue.

Best regards

Ryan

Good afternoon. I need to buy a sensor from you (see link). I don't have PayPal. Can you give me invoice for payment through the bank. Sincerely, Irina.
