Dear Lucy,

Thank you for your information. I will need to wait for the delivery address before I proceed, so that I can provide you with a proforma invoice detailing all costs.

Kind regards

Dear Lucy,

Thank you for your email.

Please can you advise how many you are wanting to purchase? Is the unit for yourselves or a customer?

I can issue you with a proforma invoice but I would just need the following details from you first:

- 1) Invoice address with area code.
- 2) Delivery address with area code.
- 3) Company registration number.

Kind regards

Sarah Walton
