Good afternoon Tracy,

Thank you for your email.

I have been informed that the R-15MED (0110015) has been superseded by the R-15V sensor.

Please can you just confirm that you are happy to accept the alternative sensor?

These sensors are the same price but unfortunately due to the demand of Covid19, we are still waiting for the stock. We approximate this to be 3-6 weeks.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
