Dear Dimitrios,

If you were to place an order for 100 x UFO sensors, we should have stock available at the beginning of December. We are advising that customers place their pre-payment orders as soon as possible to secure the stock we have coming in as the current demands are high.

The unit price is still €122.75 EXW.

If you require any further information, please let me know.

Kind regards

Sarah Walton
Customer Service Representative

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
