Good morning,

We are hoping to receive alot more sensors this month.

Would you like me to create you a new order for 50 x R-22AV?

We will aim to have sensors ready towards the end of November, however if we can ship earlier, we will do.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
