Morning Ryan

Please can you confirm if it's the right reference for the enquiry?. Please let me also know delivery time for 4 units.
Thanks.

Is this the right reference: 0110226 R-33VAN (for Analox Mini O2 DII/OMS) £35.00????

Client Enquiry:

MINI 02DII OXYGEN SENSOR REF: 09100-9212-5D

Thanks so much

Regards

Dear Sonia

Please can you let us know if you would like to proceed with the TEK-OX without sensor?

Best regards

Ryan

Good afternoon,

Thank you very much for your email.

Yes we can supply the device without the sensor at a cost of £94.25.

If this is acceptable. We can get that processed and should be able to ship straight away for you.

Kind regards

Gail Bell

Thanks for explanations and quotation

I have already a R-17VAN in stock from a customer who made a mistake ordering this model

Are there any option to send me the device and we install here the sensor?

In that case, please let me know price

If it isn't, don't worry I will inform to the client as you told me

Thanks so much

Asunto: Tex-ox order

Good morning,

Thank you very much for your order.

I am very sorry to inform you that we are having some supply issues at the moment.

We are unfortunately out of stock of the R-17VAN sensors, as O2 sensor production has been prioritised towards medical sensors and so production of scuba sensors has been delayed. The R-17VAN is used in our range of analysers, including the TEK-OX, so unfortunately we are unable to supply them until the R-17VAN sensors become available.

The latest news is that we are scheduled to have the sensors for the end of August, but unfortunately the schedules are changeable at the moment due to medical requirements.

The price for the 7910201 Tex-ox is £129.25, but I would like to inform you that we offer a quantity discount if you purchase more than one device:

2+ = £114.75 each EXW

Postage for 1 would be Airmail Tracked and Signed £13.00

Postage for 2 or more would be UPS £20.00

Please let me know if you would still like to proceed with an order for when the stock becomes available?

I am very sorry for any inconvenience this situation may cause.

Kind regards

Gail Bell
