Good afternoon,

Thank you for your email.

The price you require is as follows:

\$320 each EXW. This item includes a free of charge R-17MED sensor.

If you require a proforma invoice detailing carriage charges etc; I would need your delivery and invoice addresses in order to set up a new account for you.

Many thanks.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
