Fri, Oct 30

Sophie,

Thanks very much for the information, please could you quote me for the following:

4 x MAXO2+AE (Part number 0111261)

4 x 'V' Mount Pole Clamp Large: 16 - 40 mm clamping width (Part number 0121182)

For price comparison purposes could you also send me a quote substituting the 'V' bracket for the Universal Mounting Clamp (Part no. 0121200)

Thanks,

Richard.

Dear Richard,

Thank you for your enquiry.

I can confirm that the MAXO2+AE (Part number 0111261) is priced at £229.00 plus VAT and comes with the following accessories included:

- MAX-250E Oxygen Sensor x1
- T adapter. 22mm I.D. - 22mm O.D. Reusable (non-autoclavable) x1
- Flow Diverter x1
- 'V' Mount Assembly x1

Please see page 27 of the attached leaflet for further information. Further optional accessories, including mounting options, are listed on page 32.

I hope this helps - if you require any further information please do not hesitate to contact me

Kind regards

Sophie Lines

Good Morning,

We need to purchase two oxygen monitors plus any 'T' adapters ect. for use on some oxygen blenders we have acquired. I have looked at the Maxtec MaxO 2+AE in on that seems adequate for our needs however I cannot see if it can be mounted to a drip stand, can you let us know if this is possible with the accessories they list.

Thanks.

Richard.
