Hi Sarah

We are going to have to be careful, he sends emails as Thinair Sports, but orders should be processed as Just Inc.

We are selling the SMARTsat modules to him as an OEM. I need to discuss with Derek why OEM prices not showing, we have OEM EUR prices in L drive and I'll add to stock pages. As a temporary solution we will use notes regarding the GBP prices to him. As a reference use RVM124625-1.

Process as a proforma invoice/s:

- 1) 20 x OEM boards
- 2) The sensors and cables

Just had a quick word with him about proforma invoice and he may also want some finger sensors, awaiting email confirmation.

With this customer we are going have to be careful until we develop the systems. Some things he will buy as a distributor and others (SMARTsat) as an OEM.

Please can you confirm that the unit price is £110.00 x 20 for the below order? If so, they are down as a proforma customer. Are you happy for this to be shipped prior to payment?

Thanks
Sarah
