Hi Ashley,

No problem. Thank you for your order. Is £10 standard shipping ok?

Thank you.

Kind regards

Hi Ashley,

Thank you for the photo.

In relation to your order PO-01407, we need to offer you part number 4420598 - Power Supply for VM-2500 Series Capnographs. The price is £34.35 each.

However, I need to make you aware that this does not include the UK 3-pin adapter, which is sold separately - p/n 4430607 at £5.10 each.

(Separate mains plug adapters allow the same power supply to connect to mains power outlets in other countries).

Please let me know how you would like me to proceed. These items are currently in stock.

Thank you.

Kind regards

Kate Griffiths

Hi Ashley,

No problem. Thank you for the order.

Unfortunately, I have to inform you that part numbers 4420594/3 (both are on your order) are no longer available.

I have asked for advice on this from Steve Hardaker to see if we can offer you an alternative.

Please could I get back to you when he has looked into it?

Many thanks for your understanding.

Kind regards

Kate Griffiths
