Hi Jan

OK we will ship the 50 sensors, which service: UPS Standard, Express Saver or Express?

I'm out of the office today, can I get back to you tomorrow regarding the additional sensors? I understand that you also want an extra 1,500 sensors?

so:

500 sensors scheduled for December + 500 extra
400 sensors scheduled for January + 500 extra
400 sensors scheduled for February + 500 extra

Regards

Steve
