Hi Kate,

Many thanks for a prompt reply. I would need 10 units for the time being. These are for use in medical devices, namely in repairs that would need an O2 sensor replacement.

Cheers,

Cumprimentos,

Luis Martins

Assunto: Website question

Good afternoon Luis,

Thank you for your enquiry via our website.

Please could I ask how many 0110425 MAX-250 oxygen sensors you require? Then I can advise you further.

Please could I ask if you need the sensors for your own use, or if they are for re-sale?

Many thanks.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.

Dear Luis,

Please accept my reply.

The price for 10 x 0110425 would be €78.20 each.

If you would like me to make you an official proforma to show all costs, please can you confirm your invoice and delivery address and also your VAT number?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal
