Dear Joel,

I have spoken to the repairs team and unfortunately we have to keep repairs separate from purchase orders.

I will update your repair quotation to show the 10% discount.

SC 6500VM is the adult finger sensor which has now been superseded by part number 0014752 (SC7500VM).

If you would like a Paediatric sensor, it would be part number 0014753 (SCP7500VM).

Please can you confirm which you would like?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
