Addendum to NHS conditions of contract for the purchase of goods

42. Additional Clauses regarding Payment and Purchase Orders (2013)

- 42.1 Notwithstanding any other provisions of this Contract, the Authority shall only be liable to pay the Contractor where the Contractor has submitted an invoice in accordance with the provisions of Clause 4 above. For the avoidance of doubt, if the Contractor has not obtained a Purchase Order Number in accordance with the Purchase Order Procedure below, and/or where the specified value for that Purchase Order Number has been exceeded, the Authority shall not be liable to pay any such invoice until the Purchase Order Number has been obtained.
- 42.2 Where the Authority is not liable to pay an invalidly presented invoice pursuant to Clause 42.1 above because the Contractor has not complied with the Purchase Order Procedure, then the Contractor will not be entitled to refuse to provide further Goods or to impose any credit hold on the Authority purely as a consequence of the Authority exercising its rights under the clause above

43. Purchase Order Procedure

- 43.1 Prior to the provision of the Goods, the Contractor shall request a Purchase Order Number from an authorised member of the Authority. The Authority shall issue the Purchase Order Number promptly in writing (which includes by email). If the Authority fails to issue a Purchase Order Number within 2 days of the Contractor's request, the Contractor should refer the matter to the Authority's Requisitioner
