Good afternoon,

Thank you for your order.

Please could I confirm that this order is needed before I proceed? Earlier today we received an email to cancel three orders placed yesterday. One of the cancelled orders (000042975) was the same as this one.

Many thanks.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.

Please be aware the @mcht.nhs.uk email address is an accredited secure email address, and is used by the Trust instead of @nhs.net.

In order to transfer PID information between organisations a secure email connection is required and in order to achieve this standard, trusts are required to become accredited by NHS Digital, and submit evidence each year to remain secure email providers. Both MCHFT and Microsoft O365 as a platform have been accredited to the secure email standard for health and care and both have passed the required clinical safety elements (SCCI 0160 and SCC0129) and achieved the ISB1596/SCCI1596 accreditation.

A copy of this conformance statement is located on the NHS Digital website on the link below to evidence to other trusts that we are a secure provider <https://digital.nhs.uk/nhsmail/secure-email-standard>.
