Dear Sarah,

Thank you for your email and information. Yes, this is a confirmed order.

We accept the partial shipment. We will immediately pay for the 80 + 100 sensors that we will receive before the end of the year. For the rest 135 sensors we should take Brexit into consideration and act accordingly. Right?

Best regards,

D.

Dear Dimitrios,

Thank you for your email.

Please can you advise if this is a confirmed order? Would you accept part shipment? We could ship approximately 80 sensors as soon as payment has been received, then 100 sensors before Christmas. We would then update you as soon as possible regarding the balance.

Payment terms and unit price remain the same.

Kind regards

Sarah Walton
