Hi Timothée

I am pleased to say that the R-22SHO have arrived and are undergoing testing. I am aiming to dispatch them tomorrow. We also have a new version of the R-22SHO, called the R-22VHO, which we were due to release at the beginning of the year, but it was delayed due to the pandemic. I would like to send you a sample to make sure it fits okay with your equipment, should I put this in the same parcel or send it separately?

Best regards

Ryan
