Dear Zoey,

Thank you for your reply and I have revised P/I 117944's T-7 to T-7V. Please send back the order confirmation us in order that we can remit the fund to you.

Thank you-Zoey!

Dear Freda,

Thank you for your reply.

As advised in my previous email, the prices have increased this year but unfortunately the T-7 Sensor has increased quite alot more.

As an alternative, we can offer the T-7V Sensor (part 0110058). The price for these are \$31.50 each.

Please can you confirm how you would like to proceed?

I have attached a statement from my Commercial Director.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal
