

## Declaration of Conformity To the RoHS II Directive (2011/65/EU)

### Restriction on the Use of Hazardous Substances in Electrical and Electronic Equipment

We hereby confirm that EnviteC-Wismar GmbH does not use any RoHS restricted materials during the manufacturing, storage or handling process. And to the best of our knowledge, the flow sensors that we sell do not contain any hazardous substances above the limits designated in the original RoHS Directive or any of its amendments. Namely lead, mercury, hexavalent chromium, polybrominated biphenyl (PBB) and polybrominated diphenyl ether (PBDE) flame retardants.

Product: **T-Adapter - Accessory to Medical Device**

Art.-No.: 46-006005
