Dear Sarah

You may proceed in Express delivery

I've just contacted TNT and you may use Express instead of economy express.

Express delivery is by airplane and today that is still possible (it can be changing some)

Kind regards

Stay save

Dear Ellen,

Please be advised that your order is ready for shipping, however due to port closures, we advise that you check with your courier company about shipments from the UK and possible delays before we proceed.

We will wait for you to advise how you would like to proceed.

Kind regards

Sarah Walton
