Dear Valdi

Thank you very much for your email.

We would be very happy to supply you, please find some product information and our trade pricing attached.

I am pleased to inform you that we have the R-17VAN available from stock, the price is GBP £35 each EXW.

We do not impose any minimum order requirements, but we would ask that your first few orders are prepaid by either credit card or bank transfer.

I look forward to hearing from you and please let me know if you have any questions.

Best regards

Ryan
