Good afternoon Mike,

Thank you for your enquiry.

We have 2 x 4420505 in stock, the price is £807.50 each plus carriage, plus VAT.

I have checked with Steve Nixon, and he has informed me that Masimo have phased that version out, but we may still be able to get a small quantity. Going forward we will have to use their new version with an adapter cable. If you need any further information, I will ask Steve to clarify.

Many thanks.

Kind regards

Kate Griffiths

**Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.**

Hi Kate,

Do we have any availability on IRMA's please? I have spoken with Thameswood, they have 2 2500-M already but I have emailed him anyway. Thank you for that,

Kind regards

Mike

Good afternoon Mike,

Just a quick email to say I have referred Nicholas Hartley of Thameswood Veterinary Clinic to you just now. He says he may be interested in the following:

4410530 VM-2500-M Mainstream Capnograph (Veterinary)

He contacted us through our website and only gave an email address:

[nick@thameswoodvets.co.uk](mailto:nick@thameswoodvets.co.uk)

I hope this is acceptable to you.

Many thanks.

Kind regards

Kate Griffiths
