Subject: Re: query about quotation

Good morning Analia,

Thank you for your enquiry. As your enquiry is urgent, it is quicker for me to give you a price by email. I am happy to provide a quote, but this would be later this morning as I would need a colleague to check it as per our procedure.

We have a choice of R-22 sensors, **are you able to tell me which one you require please if the information is not shown below.**

We supply the following:

R-22Vi - 0110020, R-22MEDV - 0110021, R-22MED - 0110022, R-22VA - 0110039 all are priced as follows:

1 = £ 42.00 each	2 = £ 38.00 each	3-10 = £ 36.00 each	11 or more = £ 34.00 each
------------------	------------------	---------------------	---------------------------

The R-22Vi also available in a pack of two

1 = £ 76.00 each pair	2 = £ 72.00 each pair	3 or more = £ 68.00 each pair
-----------------------	-----------------------	-------------------------------

Carriage is free for medical oxygen sensors and all prices are excluding VAT.

Please let me know if you require any further information.

Many thanks.

Kind regards

Kate Griffiths

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
