Dear Mr Khanh

Thank you very much and all the very best to your and your family.

Unfortunately the best price we can offer for the MAX-250E (part no. 0110429) is USD \$69 each EXW. I am pleased to inform you that we have them available from stock, so dispatch can be arranged upon receipt of payment.

Please let me know if you would like to proceed with a proforma invoice or if you have any questions.

Best regards

Ryan

Dear Phuong

I have attached the declaration of conformity with the manufacturers address, will this suffice?

If you need a certificate of origin to accompany an order, we can apply for these from the chamber of commerce, the cost would be approximately \$75 and they are specific to an invoice/shipment.

Best regards

Ryan
