sorry, got caught up with SN 😊

Ryan, 12:41

Hi Zoey, I believe they require: 😊

MAXblend 2 : 0310291 😊

Air hose 5620142 😊

O2 hose 5620140 😊

If you want to put the offer together for them, but don't send it just yet, as I am awaiting confirmation that the hose part numbers are still valid 😊

12:44

Ok thank you
