CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Good morning Mark,

Thank you for your order.

I am writing to advise you that the price for 100 x 0110132 is £21.20 each.

Please can you confirm if you are happy to proceed?

I can see that you have also used part number 01100182 (R-22AVG) which is a different sensor. Is it definitely the R-22AV you require?

I will process for the date of 19th March as per your po but if you require sooner, please let me know.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
