Hi Toni

Please accept my reply. thank you very much for your order.

The sensors are available from stock, are you happy for us to send them standard Airmail costing GBP £6 or would you prefer a tracked service? Airmail tracked & signed would be £11.

With regards to payment, do you want us to use your cc ending in 6805?

I look forward to hearing from you.

Best regards

Ryan

Hi Toni

Thank you for your order and I apologise for my late reply.

Unfortunately we no longer offer any sensors suitable for use in rebreathers.

Our sister company, VST, continues to work on the development of sensors on behalf of the rebreather manufacturers, but the testing, certification and supply remain the responsibility of the rebreather manufacturer.

I am sorry that we could not be of more help.

Best regards

Ryan
