Hi Ryan

My MD has thanked you for the quote and we accept the pricing and would like to go ahead and order as outlined below.

Is it best I call you on your mobile with the card details or would you like to prepare the order first of all?

I am working from home tomorrow so I can call you anytime and I am leaving the office at 3pm today.

Kind regards and many thanks for your help,

Kind Regards

Hi Julie

Thank you for your email, Gail passed your enquiry to me, as I quote Anthony originally.

We would be happy to supply you with the same products at the same pricing:

Ultramax Analyser - 0111265 = £540 each EXW

Protective box - FOC - please note that I would be happy to gift you one of these with each analyser, but they are surplus stock and I only have a handful left.

Carriage = £10 EXW

Total including VAT = £552.00

If you would like to proceed with an order, please provide me with your company details. We would ask for prepayment, this can be done by credit card or bank transfer.

Please let me know if you have any questions.

Best regards

Ryan

Morning Gail

I wonder if you could help me with an order. Our colleague who helps us in the industry has just ordered through you and has requested we place an order for the same. See order number above.

This is his message to us:

Hi peter

Please see information below for you to purchase units and request for yellow pelicase boxes as I got mine free.

I also attach his documentation so we order the same items.

Are you able to help me with this Gail – I look forward to hearing from you,

Kind Regards
