Subject: Re: oxygen sensor

Good afternoon Biola,

Thank you for your enquiry.

The price breaks for item 0110017, R-17MED are as follows:

1 = £ 42.00 each	2 = £ 38.00 each	3 - 10 = £ 36.00 each	11 or more = £ 34.00 each
------------------	------------------	-----------------------	---------------------------

Carriage is free for medical oxygen sensors and all prices are excluding VAT.

In order to issue an official quotation, I need your invoice and delivery addresses in order to set up a new account for you. Would you like me to use the following for both:

Technical Specialist Bioscience Research
School of Science and Technology
Nottingham Trent University
NG11 8NS

As you have not ordered from us before, I would need to send you a proforma invoice should you wish to proceed with the purchase.

Many thanks.

Kind regards

Kate Griffiths

Hello Viamed,

Don't be surprised that this request is coming from a different person aside Elisa, we are all working together anyway. Can we have a formal quote for just one unit (1 = £

42.00 each) of this (0110017, R-17MED, oxygen sensor) quoted item sent to Elisa around December last year
