Dear Sirs,

I would be most grateful if you could please carry out the calibration of the enclosed Viamed V1000 Foetal Heart Simulator (Serial number 100968). *S/N PRO2913A10. CG 7-3-21*  
The cost of a standard calibration I understand to be £45.00 + £10.00 return carriage. I understand an official quotation will be issued once the device has been inspected by your service team.

If you have any further queries with the above, I can be contacted on the above telephone number, 01562 826302 extension 53272, or email [karl.green1@nhs.net](mailto:karl.green1@nhs.net)

For return purposes of the equipment, would you please mark it for the attention of the Technical Services Department at the above address.

Yours faithfully,

Karl Green
