Subject: Oxygen sensor quote

To: <emily.hanson@viamed.co.uk>

Hello Emily,

My name is Jorge Carrillo from Neonacare SA de CV in Mexico city.

I got your contact from a coworker that bought from you some sensors a few years back.

Could you help me with a quote for 4 pieces of the R-22 O2 sensor? This is a model that we've acquired from Viamed before.

Thank you for your help.

Ing. Jorge Enrique Carrillo López

Hi Ryan,

What pricing would you like for these?

I can see that they have only purchased once in 2016 and their account is set up as a distributor but they only want to purchase 4 sensors.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.

Hi Zoey

I am happy for us to continue with distributor pricing.

Thanks

Dear Jorge,

Thank you for your email.

The price for the R-22MEDV sensors which you ordered back in 2016 are \$37.75 each.

Would you like me to go ahead and make a proforma?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Sorry for the late reply and thank you for your answer.

Yes we would like a proforma for 4 sensors and the shipping to Mexico city.

Do you need the address? It would be the same as the 2016 purchase.
