Hi Kate,
Yes that memo is still good because we supply with a mounting bracket.
Is the product being replaced in the near future?
Thanks
Mike

Hi Mike,

Sorry I did not reply sooner. I asked Steve on Friday if it would be possible to add 1 x 4410530 to the order he had already placed, so all being well that will be successful.

Please could I check something with you? On your account we have a memo stating we need to add a mounting plate (part number 4420601, £10.20 each) to all capnograph orders. This memo is dated January 2019. Is this still relevant please?

Many thanks.

Kind regards

Kate Griffiths
