Dear Kate,

Thanks a lot for prompt reply.

To make decision on the order, of course, we would like to estimate all the rest expenses (carriage charges, insurance and bank charges). May be not as proforma-invoice but quotation.

What will be the delivery period? Please let me know.

Our address:
33b, Vostochnaya str., 620100, Ekaterinburg, Russia

Best regards,
Marina

Good morning Marina,

Thank you for your email and your enquiry via our website.

The price of the MX-300, part number 0111235 is \$450 each EXW.

Please note that the MX-300 no longer has CE certification for sales to the EU, but it still maintains FDA.

Please let me know if you would like a proforma invoice detailing carriage charges, insurance and bank charges. If so, I would need you invoice and delivery addresses in order to set up a new account for you.

Many thanks.

Kind regards

Kate Griffiths
