Good morning Sanjay,

Thank you for your enquiry, we are very well thank you, I hope you are too.

The price for the flow sensor that you ordered previously - 4310003 SpiroTrue Flowsensor H is £27.00 each EXW when purchasing 250 sensors or more. As this is the distributor pricing, it is our best price.

Please let me know if you would like me to create a proforma invoice or if you require any further assistance.

Many thanks.

Kind regards

Kate Griffiths
