

Packaging Trial & Validation

The following should be checked:

- The unit being sent is to the specification as detailed on the official order.
- The instructions for use and cleaning instructions are included.

Packaging:

- The Units are Manufactured at Viamed.
- The units are packaged in individual re-sealable bags
- The units are then packed in cardboard boxes and / or Jiffy bags etc.

Postage:

- For single and multiple orders – Despatch is via an applicable courier with adequate insurance.
- Alternative Delivery is via a Hospital visit by a Sales Representative.

Validation:

- To date no complaints have been received with regard to the integrity of the product through Viamed' packaging and shipment protocols.
