Dear Shahid,

Thank you for your reply.

The price for buying just one V1000 would be \$950.00 exw.

If you would like to purchase a large quantity then we may be able to look into a more discounted pricing for you. How many were you thinking of purchasing?

Unfortunately we no longer have a Nerve Stimulator that is available to purchase.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal
