Sarah,

Regarding packing please make sure that no invoice will be split into 2 or more boxes. Whatever is in one box has to be on 1 invoice attached to this box. There is no problem if there are few invoices for one box but never few boxes on one invoice.

Ideally it should be 1 box = 1 invoice. It saves me a hassle.

Hi Sarah,

Sorry, the customer finally got back to me regarding MAX-3 sensors.

I will take 10x MAX-3 and 10 x R-48V sensors instead of 20x MAX-3 originally ordered.

I will need 30x R-17AV sensors.

Pozdrawiam serdecznie / Best regards,
