Hi Patrik,

Thank you for your purchase order.

Please can you provide me with your VAT number and EORI number (both are same: **CZ01651617**) so that I can add this information to your account?

Also, please can I have a contact name and email address for your accounts department for emailing invoices for payment? Please send all invoices to: Czech@smiths-medical.com ; Alison Simmonds and me in Cc.

If you have a Fedex account, we can arrange collection from our warehouse once your order is ready for shipping. We would just need the account number. Once your order has been shipped, we would email you the tracking information, along with a copy of the delivery note and invoice. Excellent – here is the Fedex account: 919374454

Good morning,

Please accept my reply.

Thank you for your email.

The HS code for the R-17MED sensor is 9019200000 and 90181990-00 for the T adapter and the cable. All this information will be added to the final invoice when shipped.

I will wait to receive your official purchase order before I proceed.

I spoke with my team who sets the vendors up in system and apart from the form you provided recently they need to see also bank details on your letterhead paper with a company stamp and signature.

I think I mentioned that from beginning, but I missed that .

Many thanks for providing this to me.
