Dear MDC

The R-33S1 trade price is GBP £35 each EXW. The Airmail cost for 1-2 sensors would be £12.

I do not believe there would be any duties, but your local VAT is likely to be payable upon import, depending on the country there can sometimes be a charge for administration.

Best regards

Ryan

Good afternoon.

Can you please inform us on the trade price for Oxygen sensor R-33S1? Please inform us, also, on the shipping cost and if they will be any custom fee.

Kind Regards,
