Hi Hussein,

We are unable to supply the VE MC01049, but I can add 1 x 0110044. I would need to charge you £28 for the sensor, 28p for the insurance and £1.85 paypal fee (6%). **Total £29.98**. This would need to be paid before shipping.

If you are happy to pay the difference, I will send you the updated proforma invoice. Please be aware that your order will not be shipped today due to the changes.

Many thanks.

Kind regards

Kate Griffiths

Hi Hussein,

The carriage would then of course be more than I quoted. I will send you an updated proforma invoice as soon as I can.

I will add 5 x 0110024 - R-24MED. They are £28 each.

Kind regards

Hi Hussein,

I cannot say. As soon as we
can decide that the proforma
is complete, it can be paid
and we can ship.

UPS Express Saver uses air
transport, it may take 3-4
days from date of payment
received in our bank, I do
not know exactly. I do not
know if this would be longer
than a service of your
choosing.

**I will leave the proforma as
it is (your choice of
courier) unless I hear from
you otherwise.**

Many thanks.

Kind regards
