Dear Ryan!

This have been totally forgotten and found it very late, sorry!

Can you update the invoice so that we can pay it?

We will send the payment by bank transfer

Also would Brexit effect the delivery costs?

Our VAT is FI20818184 and EORI is FI2081818-4

Best Regards

Dear Heikki

Thank you very much for your email.

Please find a proforma invoice attached. The items are available from stock as we would dispatch your order as soon as payment is received.

Please let me know if you require any amendments to the proforma invoice. If you are happy to proceed with this order, you can either send a payment to the bank details listed or you can give me a call on my mobile with your credit/debit card details.

Please can you provide your company EORI & VAT number if you have them.

I look forward to hearing from you.

Kind regards

Ryan

**Aihe:** Re: VN202 enquiry / Gaspro Oy, Finland

Dear Heikki

Thank you very much for your email. I am pleased to confirm that we have the VN202 available from stock and we can dispatch them as soon as we receive an order.

The 9711906 'T' has a 22mm Internal Diameter to 22mm Outside Diameter, we can supply barbed tubing connectors if required. We can also supply a 'T' with a 15mm ID to 15 OD, also available with barbed connectors.

I have attached some pictures that may help.

Please let me know if you have any questions.

Best regards

Ryan

”**7910111**, Complete Vandagraph VN202 mkII and Quick-Ox”

We need one unit as soon as possible.

Also, can you tell me the measurements of part 9711906, Tee piece for use with Oxygen Sensors and the Vandagraph DIN KITS. No valve.

We want to connect it to our compressor pipeline (we reduce the pressure) but not sure is this part suitable.

Especially the diameter in millimeters is interesting

Thank you for all information you can provide!
