Subject: O2 Sensor returns
To: office@viamed.co.uk <office@viamed.co.uk>

Good afternoon,

I understand that Rob Sharman has had discussions with Steve Nixon about returning the O2 sensors that we have found do not meet our requirements.

I have 156 sensors (serial numbers attached) for return and possible credit. I have been given a returns number SRS67829, is this all that is required?

Many thanks

John Mitchell, *Quality and Health & Safety Manager*
