Hi Jukka

Thank you very much for your order.
I regret to inform you that we are currently out of stock of the R-33DE sensors, we are aiming to have them available later this month. I am very sorry for the inconvenience, these sensors are nearly always available from stock, but the pandemic has had an effect on production times.

Please can you let me know if you would like us to ship the rest of the items and leave the R-33DE on back order, wait until all the items are available or cancel the R-33DE sensors from this order?

Best regards
Ryan
